

# FARM BUREAU ASKS FOR TAX LIMITATION

## Petitions Gov. Horner for Legislative Action; Aids Home Owners

The farmers of Illinois are coming to the front in defense of the property owners, farm and home, both real and personal.

It is startling indeed to note that over the whole United States the farmer is receiving about \$750 annual gross income, while in Illinois he is paying, on the average, approximately \$250.00 property tax. Likewise, it is regrettable that in

dividuals on all sides are losing their homes, not only farm but city and village homes and the whole condition of affairs should make it rather unattractive to own property because of the excessive levy which we call taxes.

recognizing that it is impossible to relieve real property of its disproportionate burden of taxation, and to secure a modern, equitable revenue system under the present provisions of our State Constitution, and that such relief is of vital importance to every farm and homestead owner of this State, the Farm Bureau of this and other counties is circulating a petition to all the citizens of the State of Illinois requesting the officers of the Illinois Agricultural Association to urge upon his Excellency Henry Horner, Governor of Illinois, the imperative need of calling a special session of the Fifty-eighth General Assembly for the exclusive purpose of proposing proposed amendments to the Constitution of the State Constitution for adoption or rejection by the electors at the general election on November 6, 1934.

They further respectfully petition and request the Fifty-eighth General Assembly, when called into special session for this purpose to propose amendment of Sections 2, 3, 9 and 10, of Article IX, the Revenue Article, to provide:

1. That the present limitation

2. That the total general property taxes shall not exceed \$1.00 on the \$100.00 fair cash value unless the excess is approved by referendum vote.

4. That the General Assembly may by general law enacted by two-thirds vote distribute State revenues among local taxing districts.

It is evident to all of us that the State Revenue Act are inadequate, antiquated, and insufficient for present needs; that the burden is not fairly distributed and it is with this thought in mind that the Farm Bureau leadership, is working through its membership and begging aid

It is not the thought of the farm organization in putting forth this

organization, in putting forth the effort of protecting property owners against this excessive burden to reduce the effectiveness or the services of the taxing bodies to the public but rather than the "juice" shall be squeezed out of any unnecessary plums" and that the burden shall be distributed over a large base, and that the same shall

payee who in many instances is enjoying an income much in excess of the taxpayer shall be brought in to the group and made to bear his fair share of the public's burden.

that while the farmers of the State of Illinois represent 12½ per cent of the population, they are paying 20 per cent of the taxes and at the same time receiving only 5 per cent

of the state's income. We know, therefore, that all of our fair minded people will appreciate the farmer's attitude in making this approach to fairness to the farmer.

themselves but an approach to fairness equally as emphatic to the non-farmer property owner.

### Merle Guild Post

Here we are again! Like all good radio programs, we were off the air for the summer, but with the coming of fall and newly elected officers, you will hear from us regularly from now on.

It rained last meeting night, but an election was on and the boys are to be congratulated on the officers for the ensuing year. Here they are:

Commander, M. H. Browne; Senior Vice Commander, V. A. Pecchia; Junior Vice Commander, C. J. Miller; Finance Officer, Gene Heller; Adjutant, Warren Parker; Historian, Marian Grigsby; Sgt.-at-Arms, T. A. Pope; Chaplain, Les Griffith. Additional Executive Committee members—George Schaefer, J. C. Jones, A. Askof, Otto

Schwartz. Or as Jack Benny says, "Good, isn't it?"

The officers will be installed Tuesday, October 24, and full details will be given in the next issue of this paper.

We understand that our dear old friends, Les Griffith and George Palmer had such a good time the day of the parade that they missed the midnight train and had to hang around Chicago till the 6:44 a. m. the next morning—what do you suppose their gag is—they were enjoying themselves immensely throwing water out of the windows of the Morrison Hotel and forgot all about the time—we have it on definite police authority that instead of shooting water out of windows they were spending the night in the hosegown for starting fires along Michigan avenue—and who would have thought that of our incoming Chaplain—shame on you Les—but you know Les is in the insurance business and possibly he thought he was drumming up trade.

Man, you should have seen our Past Finance Officer the day of the parade all dolled up in a Barrington Drum Corp uniform, he claims to have been the number one man in

the rear rank—and you such a good drummer, too. Gosh! We nearly forgot about it, but Clarence is our honest to goodness radio announcer—the other night down at the fair, we heard this coming over the air—the next speaker will be Clarence Stadler of Arlington Heights—and Clarence as nervous as could be told us that he had purchased a big Yank work shirt and would now reform and help his wife around the house.

The Schwolow family are now installed in the Legion Club House and we are glad to see them there. Mrs. Schwolow set out a splendid lunch for us the night of election and Mike Browne proved to us why he is so big and strong, boy how he out the grub away.

You know Gene Heller is just too cute for words in that suede jacket of his and with his rosy cheeks—well your first impulse is to kiss him—try it and see how far you'll travel backwards.

While we are rambling around we might just as well go back to the parade. Phil Engelking and Roy Steffy carried the colors. Joe Schaefer was all dolled up in a Melin Tomer Drum Corp uniform and so was our own Paul Ash-alter-Bill Simon. And what do you think our friend the Crown Prince pulled off—no wonder the guy is so fat, who in the world do you think was all sprawled out in the back seat of the Melin Romer bus, none other than Joe Klock. Bill Bockmeyer was down there and marched with Des Plaines Post and Charlie Miller marched with LaFayette Post. Along the side lines the first one we spotted was our dear departed pal, Paul Roth, who came to Chicago with some Michigan Post and along Monroe Street stood Doc "Sparks" Williams. Near soldiers field were Les Griffith, George Palmer, they were still out on Liberty then and Johnnie Wilson and Uncle Sam—Benny Helfers.

Oh yes, the serious work at the convention was handled by Vic Pecchia and when Vic represents our sect you can be sure that we will get ample recognition. Vic acted as a sergeant at arms at all convention meetings.

Some other place in this paper is a more serious vein, some one else will tell you all about the installation of our new officers. The date is Tuesday, October 24, ring your calendar for that night and then be sure to be on hand.

The P. T. A. has a great treat in store, in the opportunity of hearing a violinist of unusual ability next Tuesday evening, Oct. 17. Mrs. Gertrude H. Frykman is a former pupil of the late Theodore B. Spiering, who was director of the Violin department of Chicago Musical college, and conductor of the Philarmonia Orchestra of New York. She was in charge of the violin department of Montana Conservatory of Music of Great Falls, Montana and of Augustana College in Rock Island, Ill. Mrs. Frykman is now located in Des Plaines and is available for teaching and solo work, and has kindly consented to play for the P. T. A.

Mrs. O. M. Johnson with her daughter, Millie, went in to see the great World's Fair Wednesday last week. She was enthusiastic over all she saw and heard. Her greatest delight was in the flowers and the music.

Mrs. Schurich and Mrs. Bauers received the word Sunday of the death of a friend, Mr. Heims at Des Plaines, who died in the hospital after long illness.

**Presidents as Soldiers**  
Thirteen of our Presidents were soldiers: Washington, Monroe and Jackson in the Revolution; Jackson, W. H. Harrison and Taylor in the War of 1812; Taylor and Pierce in the Mexican war; Lincoln and Taylor in the Black Hawk war; Grant, Hayes, Garfield, McKinley and Benjamin Harrison in the Civil war, and Roosevelt in the Spanish-American war.

"Rottenness of the Bones" is the topic of the English sermon Sunday morning, based on the text from Proverbs 14, 30: "A sound heart is the life of the flesh: but envy is the rottenness of the bones." This sermon is a Biblical interpretation of the "little" sin of envy with its disastrous effects on human life. You are urged to hear it.

The Walther League Institute of the Northwest Suburban Zone will conduct its first session Sunday at the Des Plaines Lutheran school. "The Stewardship Relation" is the topic, presented by Rev. O. Heerwagen and Mr. H. H. Gross will lead a practical discussion on Bible and topic study. The entire program is printed elsewhere in this paper.

Monday at 8 p. m. the Senior Bible class will complete its study on Signs of the Last Times. Thursday afternoon the Ladies' Aid will assemble. In the evening at 7:30 the Junior Bible class will hold its study period and at 8 the choir will rehearse.

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 8.

The Golden Text was, "The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give" (Matthew 10: 7, 8).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Bless the Lord, O my soul: and all that is within me, bless his holy name: Who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103: 1, 3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Everything good or worthy. God made. Whatever is valueless or baneful, He did not make;—hence its unreality. . . . Sin, sickness, and death must be deemed as devoid of reality as they are of good. God" (p. 525).

A thoroughly aroused Warren squad gave Arlington's football team a bitter battle last Friday afternoon before succumbing to a 13-7 defeat. The Cardinals will tell the world that anyone choosing an easy game this year had better pass up the Blue Devils. So long as Kenny Zimmerman's two legs and good right arm are available they will furnish ample competition for any conference team. Not that he didn't receive stellar support from Hook, and sundry linesmen, but Zimmerman did one of the best jobs of ball totting seen on Arlington's field in some time.

Arlington's quartet of backs did no mean job of stepping themselves. In fact the entire game seemed to be a contest between backs to see who could lug the ball oftenest and farthest.

Steve Szasz and Rohling were largely responsible for carrying the ball up within striking distance of the goal. On both occasions Koelling carried it over for the touchdown. On one occasion Koelling cut loose with one of his runs as of old. But most of the time he seemed to be favoring his injured leg. The two Szasz's displayed some beautiful open field running on several attempts.

Late in the first quarter after an exchange of punts Arlington got the ball on Warren's 35 yard line. Rohling picked up 7 yards just as the quarter ended and then at the beginning of the second quarter Arlington marched down for the first score on a series of plays in which Rohling, Szasz and Koelling alternated at carrying the ball. Koelling plunged over for the last 2 yards and Frank Szasz kicked. The rest of the half was a see-saw affair with honors about even.

Shortly after the second half started Arlington went to work from their own 45 yard line and again alternating at ball carrying Koelling went over for the score. This last touchdown was a 30 yard run made possible largely by some neat blocking by linesmen.

Weisgerber, Klehm, Masny, Bird, and Gieseke blocked perfectly in and beyond the line to send the big red head on his way.

The next few minutes saw Warren unleash its attack. Large, by passes from Zimmerman they advanced from their own 40 yard mark to Arlington's 12 yard line from which Zimmerman skirted end to score standing up. They passed for the extra point.

The rest of the game passed quickly. Warren made one more threat but Frank Szasz intercepted a pass and ran it back 50 yards which virtually ended the ball game.

Arlington's line showed marked improvement but still must improve on their blocking and defensive play. But it is doubtful if there will be a harder fought game on Arlington's field this year.

**Summary.**  
Touchdowns: Koelling (2), Zimmerman.  
Point after touchdown: F. Szasz, Potter.  
First downs: Arlington 9, Warren 9 (4 by passes).  
Penalties: Arlington 30 yards, Warren 0.  
Referee: Glick.  
Umpire: Kincaid.

**Second Arlington Game  
Promises Tough Battle  
on Bensenville Field**

Saturday afternoon Arlington journeys to Bensenville for its second conference game and the first on foreign soil. It has been several years since Arlington has won on Bensenville's field, and there is no assurance that this string of defeats will be broken.

Bensenville has always been a thorn in Arlington's side and with a fighting ball club again this year will attempt to send Arlington home on the short end of the score once more. Bensenville has won all but one game this year and in doing so has shown considerable strength on attack.

Since Arlington has shown little defensive strength this year, undoubtedly Bensenville will make several raids into Cardinal territory. Unless Arlington's line puts up a better game than heretofore and unless their backs wake up on pass defense it will be a romp for Bensenville.

## Leyden Defeats Barrington 12-0 to Seize Lead in Conference

### MAC SAYS:

By GERALD A. McELROY

After all his pessimism Coach Jack Martin of Libertyville breaks down and confesses that he has one of the best lines in recent years. We thought he must have something after hearing that the Wildcats crushed McKinley 39 to 0. Martin used his second team all the second half of this game and some of his backfield regulars saw action but one quarter. Behind excellent interference the light Libertyville backs ran wild against their heavier opponent. The longest touchdown run was 90 yards.

**Wildcats Meet Leyden**  
Libertyville gets its first taste of conference competition Friday at Leyden against a leading rival for the championship. At this writing we cannot think of anyone capable of stopping the Wildcats. The only team we have not seen play is Arlington, but have our doubts if they can take Martin's eleven. The Cardinals are a lot better than Coach Grose will admit, but time will tell whether they are strong enough to cop the title. Right now it looks like Arlington and Leyden will battle for second place.

**Play Michigan Style**  
Leyden used 85 of their 107 yards gained from scrimmage in scoring two touchdowns against Barrington Saturday. On the other hand Barrington gained 100 yards, but failed to score. Leyden played the Michigan style of game which consists of punting and letting the opponent wear itself out and then when a break comes using their own conserved energy to put across a score. This style required a good punter and Camp averaged 34.6 yards on 14 punts, which is good as many Big Ten kickers are doing.

Leyden defeated Barrington and Palatine in exactly the same manner. A long touchdown run in the third period followed by a line smashing march from midfield for a second score in the fourth period was the method used by Watson's boys in winning 12 to 0 on both occasions.

**Play Erratic Ball**  
The Palatine-Bensenville game last week was a hectic affair. There were breaks galore with neither team taking advantage of them. It looked several times like Palatine was handing Bensenville the ball game, but the orange clad gridders did not seem to wake up to the situation and make any touchdowns. There were four blocked punts, five fumbles recovered by opponents and three intercepted passes, but they led to nothing at all.

**Score on Sleeper Play**  
Palatine pulled the old moth eaten sleeper play out of the bag and it looked brand new to the Bensenville boys. So new did it appear in fact that after failing to score on it, the first attempt the Palatine lads tried it right over again and carried the ball to the one yard line where Tudyman plunged for the touchdown. Reuse was the passer and Krambler the receiver on both plays. The first time it gained 15 and the last time 25 yards.

Palatine's failure to punt on fourth down with 2 yards to go on their own 18 yard line kept them in constant fear of losing the game through out the last half. Bensenville had the ball inside the Palatine 40 yard line all through the last half and it is difficult to see why they did not score.

**Pirate Kickers Hurt**  
Punting has been one of the Palatine strong points this season with Krambler booting well over a 30 yard average. "Howie" is out with a bruised knee just now and Hahnfeldt, last year's punter, is also on the side lines with a similar injury. Hinrichs, tackle, is filling in and doing a good job, but his punts are not as long or as quickly executed as Krambler's.

**Warren Has Open Date**  
More evidence of the equal strength of conference teams was shown Friday when Arlington took Warren by a 13 to 7 score. Both teams made nine first downs.

### GAMES THIS WEEK

Friday  
Barrington at Palatine.  
Arlington at Bensenville.  
Libertyville at Leyden.

Warren has no game this week as Antioch, previously scheduled, has dropped football. Arlington should have little difficulty beating Bensenville. In fact we figure that three touchdowns will be the margin for the Cardinals. Arlington will not be overconfident as they recall all too well, how a couple of years ago their strong team was soundly trounced by a weak Bensenville eleven in a big upset.

**Antioch Coach a Cage Star**  
Antioch's new basketball coach is a basketball star from Purdue University. Mr. Cox played with a championship team of the Big Ten and has had unusual success coaching in the great basketball state of Indiana. He coached for a couple of years in the home town of Mr. Kay, Palatine, and instructor, and with poor material developed a consistent winner.

**Why Have a Team Manager?**  
We have all wondered just how a manager of a Northwest conference football team earns his letter and if it is fair to give such a reward to a person who does not take part in the games. You find no part in the games, the players on fullbacks, found today going and made no long runs. Camp had an average of 1.9 yards a play while Altenburg bettered his mark with a 2.9 yard average. Both players did some fine punting with Camp having the better average, but two Barrington kicks were blocked.

**Much Criticism—Little Praise**  
The manager's duties are many. He hears numerous complaints but few words of commendation but to the coach is inevitable. He has to check out and check in the footballs and helmets and keep the players supplied with shoe strings, helmet straps, socks, etc. It is his job to carry water to the practice field on hot days and see that the boys are supplied at time out periods during the games. He renders first aid in case of injuries and keeps the medicine kit well supplied. After the game, players must have rub downs. He is housekeeper of the shower and team room and keeps everything in order. He may be called on to do anything from A to Z for the coach. On practice days the footballs must be pumped, the tackling dummy taken out, attendance checked and quitting time announced.

**Offers Coach Sympathy**  
The good manager "tries" to collect money owed the coach for supplies and offers him sympathy when things go wrong. He must be an optimist and never a pessimist. On game days he cleans the footballs, checks out jerseys, puts out benches, relines the gridiron, gives the visitors supplies, puts out the goal line flags and line markers, and issues towels after the game. When the team plays away from home he must secure transportation and see that the players are individually provided for.

**Deserve a Big Hand**  
His motto is that "The coach is right." As one manager said, "We must be able to take it and like it." All over the conference, boys are doing these tasks for their teams and coaches. They deserve a big hand.

Here in Palatine Robert Paddock, senior manager, is a very industrious and ambitious fellow. Lyle Taylor and George Schwankeff are assistants this year learning the ropes as apprentices.

By GERALD A. McELROY  
By defeating Barrington 12 to 0 on the Broncho gridiron Saturday, Leyden tops the Northwest conference at the end of the third week with two wins and no losses. Barrington had a 4 to 3 edge on first downs but Leyden made better use of their gains. Leyden used 85 of their 107 total yards gained in scoring their two touchdowns.

Barrington outplayed their visitors by a wide margin in the first half when they made all their first downs, but due to injuries could not maintain the pace. Barrington gained a net total of 92 yards to Leyden's 17 in the first half.

Late in the third period Leyden scored on a 35 yard end run by Wilson, right half back. Soon afterward the Eagles took the ball at midfield and aided by a 28 yard run by A. Asta and line plunging by Camp put over the second counter. All of Leyden's first downs were made in this 50 yard march. Both tries for extra point were failures as a drop kick was blocked and a pass was incomplete.

Camp of Leyden and Altenburg of Barrington, leading conference fullbacks, found today going and made no long runs. Camp had an average of 1.9 yards a play while Altenburg bettered his mark with a 2.9 yard average. Both players did some fine punting with Camp having the better average, but two Barrington kicks were blocked.

**Summary**  
Touchdowns: Wilson and Camp.

### Pirate Eleven Meets Barrington Today in Second Place Battle

By GERALD A. McELROY

The attention of students, alumni and townsmen of Palatine is centered today upon taming those wild Barrington Bronchos which are due to gallop about on the Pirate gridiron at 3 o'clock today. Coach Megel will have his best horse wranglers in there and by nightfall it is hoped that docile ponies will be trotting back to Barrington.

At any rate the Pirates are priming to the limit to win this game and keep undisputed possession of second place in the loop standings. Barrington and Palatine are at present tied with a .500 ranking due to a win and a loss. A week ago Barrington would have held the edge but right now it looks like a toss up with the local eleven standing a fine chance of winning.

Both teams have been hard hit by injuries. A third of Barrington's team were in bad shape before the Leyden game and that contest did the bruises no good. Palatine has several backfield men on the injured list and both of the leading punters are out. Krambler, whose quick kicks have featured the Palatine playing, is out for the remainder of the season with a bad knee. I. Hahnfeldt, punter of the 1932 team, is another casualty. Stroker is taking over the job of filling the backfield post vacated by Krambler and it looks like a rookie will take over the punting assignment.

Eddie Hahnfeldt, conference champion in javelin and discus throwing, came out for football on Monday and was immediately given a chance in the lightweight game with Barrington. He got off seven punts of which the shortest was 35 yards and the longest 70 yards.

If Hahnfeldt can keep up this pace, and work all week indicates that he can, Palatine will have the best kicker in the conference. Eddie will start the game at right guard. He is a passer of no mean ability in addition to his punting and weighs 180 pounds.

"Stop Altenburg" is the Palatine high school motto this week for he has made Barrington a conference contender. As a triple threat fullback he has been Barrington's big ground gainer all season but DePue of the Pirates will make anyone hustle when it comes to gaining yardage through the line. John has an average of better than 3 yards a trip for four games.

Palatine has a slight weight advantage over the Bronchos with a team average of 157 pounds as compared with 155½ pounds for the visitors. With Gaare in at guard the Palatine average would be increased another three pounds to the man. To counteract a possible weight advantage Barrington has a much more experienced outfit.

By GERALD A. McELROY

Palatine outplayed Bensenville by a wide margin Friday, but the best they could do was to score a 6 to 0 victory. At that they were lucky not to get beat considering the number of breaks the Palatine boys let the Bensenville gridders have, but the latter just could not seem to take advantage of them. Palatine made seven first downs to four for Bensenville and outgained their opponents 146 to 65.

It was the most erratic game a conference crowd has seen in years. Four blocked punts, five fumbles recovered by opponents and five intercepted passes left just part of the story which kept Palatine fans on edge all afternoon.

**Score on Sleeper**  
The lone tally of the game came late in the second quarter. Hinrichs, who played a whale of a game, recovered a fumble on the Bensenville 32 yard line to set the stage. Tudyman then lost 5 yards on an end run far to the right, but Krambler remained along the sideline and on the next play caught a pass from Reuse and was downed on the 10 yard line. Four tries at the line found Palatine on the 1 yard line. Bensenville kicked out to the 26 yard line and Palatine pulled the same old sleeper play again and this time Krambler carried the ball to the 1 yard line.

**Summary:**  
Touchdown: Tudyman.  
First Downs: Palatine, 7; Bensenville, 3.  
Net yardage from scrimmage: Palatine, 109 on 46 plays; Bensenville, 26 on 26 plays.  
Yardage on passes: Palatine, 37 on 2; Bensenville, 39 on 5.  
Passes incomplete: Palatine, 4; Bensenville, 7.  
Passes intercepted by: Palatine, 2; Bensenville, 3.  
Total length of punts: Palatine, 138 yards; Bensenville, 231 yards.  
Average length of punts: Palatine, 17.4; Bensenville, 29.  
Punts blocked: Palatine, 3; Bensenville, 1.  
Fumbles: Palatine, 2; Bensenville, 3.  
Penalized: Palatine, 5 yards; Bensenville, 20 yards.

### Palatine's Town Team Holds Barrington 0-0; Meets Arlington Next

Palatine's town team, which held Barrington to a scoreless tie last Sunday on the latter's field, will meet Arlington Sunday on the Arlington gridiron. The boys from the "City of Good Neighbors" also played their first game last Sunday meeting Des Plaines, and came out on the

## ARLINGTON FOOTBALL TEAM LOSE

### Opens Season Against Des Plaines; Meet Palatine Sunday

The Arlington Heights football team opened their 1933 season last Sunday, when they traveled to Des Plaines and lost a tough game to the strong Des Plaines eleven by the score of 6 to 0. The game being lost in the last few minutes of play. The Arlington boys were given a big hand by Des Plaines for Arlington has a real fighting football team this season and is really playing the old game.

The club is very fortunate in having Doc Fanning of Barrington as a coach this season and the boys are really working for "Doc," as the game against Des Plaines Sunday proved that the team has seen strong drilling and is being well coached.

Sunday's game was marred somewhat, by Butch Jahrling being injured in the early part of the game, being unable to continue playing. Len Bolte's running a punt for 60 yards, was the highlight of the game.

Now all you football fans Arlington Heights has a real football team and have some tough games on the schedule and are out to give you some real football. Show the boys that Arlington Heights wants a football team to keep playing out here by turning out a large crowd next Sunday afternoon, when they meet Palatine.

This will be a real game and the old rivals, Palatine and Arlington, are out to settle the old argument "who has the better football team?"

With "Doc" Fanning coaching them along with their captains, George Winkelman, line captain and Butch Jahrling, backfield captain, leading them, Arlington is all set for the whistle.

So get out there all you football fans this Sunday, and all other games this season will be played at the Red Wing Park. There will be plenty of seats for those that wish to sit down and plenty of standing room for those that want to jump around.

Let's go, Arlington, Sunday afternoon, 2:00 p. m. at the Red Wing Park, 500 S. Highland avenue.

Arlington Heights vs. Palatine.

### Will Rogers is "Doctor Bull" In Latest Film

Will Rogers comes to the Rialto Theatre starting Wednesday in his latest picture for Fox Film, "Doctor Bull." It is the screen presentation of the famous novel by James Gould Cozzens, "The Last Adam," best-seller and recent Book-of-the-Month selection. It is reported as the most powerful vehicle the popular philosopher-comedian has had on the talking screen. The story concerns a physician in a small town who, in addition to ministering to the health of the community, acts as its unofficial father confessor. None of the town's secrets escapes him. He knows the inner life of every one of its inhabitants. But it is not as a gossip that he finds himself interested in the private lives of the village. He is a mellow gentleman to whom everyone's reactions are an interesting bit of human document.

### Red Wings Close Season; Win from Mt. Prospect

The Arlington Heights Red Wings closed their 1933 baseball season last Sunday winning from Mt. Prospect by the close score of 6 to 5.

Geo. Schaefer, pitching for the Red Wings, although touched for 12 scattered hits, had the Mt. Prospect boys swinging high, wide and missing plenty. Having 14 strikeouts to his credit is evidence that George really had something on the old apple.

Dieball, pitching for Mt. Prospect, allowed 12 hits and had 5 strikeouts to his credit.

The Red Wings being the first to score did so in the second inning when Witt drove out a triple and scored on a sacrifice by Schaefer. Four more runs were scored in the third on a double by F. Brodman, a hit by Bolte, a double by Willert and hits by Benic and Meyer, bringing the score to 5 to 0 in the Red Wings favor.

Neither team scored from then until the seventh when Mt. Prospect put across the tying runs, scoring five unearned runs after one out on an error that should have been an easy double play.

The Red Wings went out in front again in the last half of the seventh when Willert drove out a triple and scored when Benic outsmarted the Mt. Prospect infield laying down a perfect bunt and was also safe at first.

The final score was 6 to 5 in favor of the Red Wings. Hits off Schaefer, 12; off Dieball, 12; struck out by Schaefer, 14; by Dieball, 5.

The Prospectors seemed to have cause for an argument on a close play at first base on the last out in the last inning. However the case may appear, the umpire rules the field and calls them as he sees them. Mr. Schaefer has umpired 26 games up until last Sunday's game for the Red Wings and out of these twenty-six teams, there is not one that will say they did not get a square deal when they came to the Red Wing Park.

The Red Wings in closing their 1933 season wish to thank very sincerely each and every one of their real fans for being out with them as they have been the past season. We have tried to give you good ball games all season and with you in back of us we have had a very pleasant and satisfying season.

This was the Red Wing's fifth season of baseball in Arlington Heights and each year saw the Red Wings building a bigger and better ball club, and it was by your loyal support that this was made possible. The club was very fortunate in having Mr. Chas. Page as their manager this season and Mr. Page has certainly put in plenty of hard work and time to keep the boys in shape. It is also through his work that the Red Wings have had a successful season.

So once again the Arlington Heights Red Wings thank all of their loyal fans who have stuck with them, win or lose, and when old man winter has had his fling the Red Wings will again be with you for a bigger and better season next year.

Also to all of the ball teams that have met the Red Wings, we wish you all good luck in all other sports and thank you for coming to Arlington in the manner you have. It is with a feeling of true friendship brought about by your display of sportsmanship on our field that the Arlington Red Wings will welcome you back next season.

The Red Wing's record for this season is won 18, lost 8, and tied 1 out of 27 games played.

Following is the team as you all knew them: Chas. Page, Mgr.; Ben Pitzen, Capt.; H. Easton, Coach and a hard worker for the team; Rox Bolte, C.; W. Meyer "P"; Geo. Schaefer, P.; Ray Willert, 1b; Del. Dobbins, 2b; F. Brodman, 3b; M. Benic, lf.; P. Tossman, cf.; A. Witt, cf.; A. Meyer, rf.; and N. Tischer and A. Miller, Park men. Always a Red Wing Booster.

### Hard Time Birthday Dance at Meyer's Park

W. Buchholz, sponsor of many old time dances in this vicinity is to be honored by his friends Saturday evening, Oct. 14, when a hard time dance will be given in Meyer's Park, Arlington Heights. It is Mr. Buchholz' 40th birthday and the committee invites the general public to come and help celebrate.

### AT THE CATLOW

"Tugboat Annie," which is finishing its three-day run at the Catlow theatre, Barrington, Friday night, will make way for the Slim Summerville-Zazu Pitts comedy feature, "Her First Mate" for its Saturday night showing. The comedy situations in "Her First Mate" revolve about a worshipful wife who buys a ferry boat for her not too ambitious husband. News events, cartoon and a musical tabloid comedy are added short subjects.

Sunday and Monday brings Marlene Dietrich to the Catlow theatre, in her eventful screen role of Lily in "The Song of Songs." The story concerns an artist who marries his model, only to leave her when he is persuaded by his wealthy patron that his wife can not be happy without wealth and position. Their separation and the manner in which they are later reunited furnishes the climax of this outstanding classic. Short subjects and community singing are added subjects of interest.

Next Tuesday, the bargain night offering will be Zane Grey's, "The Last Man," a Paramount production starring Randolph Scott, Esther Ralston, Buster Crabbe and Noah Beery. Beautiful scenery and rapid action raises this Western opus to the top of the Zane Grey standard.

"One Sunday Afternoon" which is scheduled to play the Catlow theatre next week Wednesday and Thursday nights is a cameo projection of the early nineties, drawn with charming and romantic lines. Gary Cooper, Fray Wray and Neil Hamilton are starred in this tender love story of the man who wonders if he has married the right girl.

Beginning next week Friday, the Catlow theatre is establishing a twenty-cent Serial night, which will run for twelve consecutive weeks. The serial, "Gordon of Ghost City," with Buck Jones and Madge Bellamy starred, is from the pen of Peter B. Kyne. A new feature picture, as well as interesting short subjects will be a part of each of these Friday night serial programs. "Flying Devils," with Eric Linden and Ralph Bellamy will be the feature attraction for the first Friday showing of "Gordon of Ghost City."

## P.T.A. MEMBERS ENJOY MEETING IN WILMETTE

Twenty-third District Conference Held in M. E. Church

"We make a living out of what we get. Out of what we give we make a life."

This was the watchword of the Twenty-third District conference of Parents and Teachers at Wilmette, which was attended and enjoyed by a number of Mt. Prospect mothers.

During the morning session, Mrs. Edward Jackson, third vice president of the State Congress, spoke on "This Parent-Teacher Movement." Mrs. Jackson informed the delegates that a well laid plan to wreck the American free school system is under way, and called on all Parent-Teacher associations to be ever watchful in their own community.

After luncheon in the beautiful parish house of the Methodist church, the conference was entertained with an inspiring organ recital. Mrs. Frank L. Kage was soloist. Dr. Gordon J. Laing, dean of the Division of Humanities, Chicago University, gave an interesting address on "The Education of a Citizen."

Each delegate attended a special Round Table discussion on some Parent-Teacher work as follows:

Mrs. Baskin, president Round Table.

Mrs. Ivers, Membership campaign.

Mrs. Budlong, Parent Education.

Mrs. Gehring, Program Planning.

Mrs. Mundt, Juvenile Protection.

Mrs. Price, Humane Education.

Mrs. Carlson, Ways and Means.

Mrs. Lahtinen, Wise Use of Leisure.

Reports of work being done in other units and suggestions for work in our own unit will be discussed at the next P. T. A. meeting the last Thursday of October in Mt. Prospect.

## Imp. Assn. Plans Include Skating Rinks for Winter

The Improvement Association meeting last Monday evening was well attended and an interesting program was provided. The business session covered discussions of the various suggested features of the winter schedule of activities.

The committee on revision of the constitution with reference to dues recommended that the Board of Directors be given the authority to reduce dues below the one dollar maximum if finances permitted, and to accept dues in payments by quarters or otherwise as they considered best. The intent, as brought out in the discussion, was to encourage the attendance at the meetings and affairs of the association, rather than the stressing of the building up of a large membership.

One interesting recommendation was made, and a committee was appointed to follow up on it, regarding the providing of a number of skating ponds in the different parts of the village. It was explained that previous attempts to fill in lots for skating had failed in some cases because the ground had not been prepared to hold water. The committee appointed will select suitable locations and make preparations for filling with water when the frost is in the ground.

A report was made concerning the possible use of the gym at the St. Mary's Training School, for athletic events, and further work will be done in the attempt to make some arrangement for a regular schedule.

The meeting ended with a Ping Pong tournament in which a large number of players took part. Refreshments were served at the end of the tournament.

## WOMAN'S CLUB ACTIVITIES VARIED

To Hold Luncheon at V. F. W. Home for Library's Benefit

Mrs. Mesdames Johnson, Madison, Anderson, Worley and Hauptly, attended the fall meeting of the 7th District last Thursday at Barrington. The Mt. Prospect Woman's club was given mention for their American Home Exhibits throughout the year.

Invitation was received from the Physicians Fellowship club Auxiliary to attend their President's Day, Oct. 13, at 2 p. m., at the Logan Square Masonic Temple.

Invitation was also received from the Woman's Shelter to attend their Reciprocity Day at the Chicago Woman's Shelter from 2:30 to 9:30 p. m., on Wednesday, Oct. 25. For transportation or more details on these meetings call any member of the board.

At the last meeting of the Woman's Club it was voted by the members to pay a bill of \$6.00 for repairs to the Infant Welfare scale. Assistance has been given by the Infant Welfare by the Woman's club since the club was organized.

The Literature and Art department will hold their first meeting Tuesday, Oct. 17, at 1:30 p. m., at the home of the chairman, Mrs. Stanley Hoods, 408 So. Main street. Dues will be 10 cents per meeting and all members interested in this department are urged to attend.

Reservations will be received by the Library committee for the luncheon to be held on Tuesday, Oct. 24, at 1 p. m., at the Veterans of Foreign Wars new home on North Elmhurst road. The cost of the luncheon will be 50 cents and all the proceeds will be used to continue the library work. The library is now self supporting and without the help of everyone, it would be difficult to pay the librarian and keep the library open. The members of the committee are Mesdames Madison, Fenton, Weiss, De Mille, Freck, Lee and Gehring.

## Attention, Farmers

You can save \$3.00 or more per barrel of flour by bringing your wheat to the Arlington Heights Roller Mills and having it ground into flour. Here are the exact figures:

1 bu. cleaned wheat worth \$ .85	
Grinding	.25
Total	\$1.10
for which you receive	
36 lbs. flour worth	\$1.50
21 lbs. mill feed	.20
Total	\$1.70

This is an exact saving of 60¢ per bushel of wheat.

## Mt. Prospect Post 525 American Legion

We wonder how many of the people of Mt. Prospect were thrilled by that Legion parade in Chicago on Tuesday, Oct. 3. To have seen that spectacle of beauty, must have convinced you of the strength of the American Legion. And to those who were in the Stadium when President Roosevelt, wearing his Legion Cap, saluted his comrades, I feel sure every single one of the 30,000 people felt that lump rise in their throat, the same as the writer. We feel sure that the state of Illinois is going to enjoy its largest membership in its history, for now every single exercise man not in the Legion, has come to see the true facts of the Legion and its power for good. We urge every single man in Mount Prospect to join now. You should be as willing to help your American comrades and your country as you were during the war. If you have never been approached to join the American Legion, just drop a card or phone H. Carlson, 307 So. Wille street.

An open installation is to be held at Northwest Hills Country club on Monday evening, Oct. 16, 8 p. m. You will enjoy this program, with dancing to follow. Everyone is welcome. The newly elected officers who are to be installed are as follows: Commander, S. Crawford; First Vice Commander, H. Carlson; Second Vice Commander, R. Gould; Third Vice Commander, J. Huber; Chaplain, P. Jonas; Historian, V. Winn and Sergeant at Arms, C. Verrett. We of Mount Prospect American Legion Post, feel that these men will do a fine job this year and would like every one of their Mount Prospect friends to turn out and see them installed.

Again we want you to know that the local American Legion Post will run its annual dance at Northwest Hills Country club on Armistice Night Saturday, Nov. 11. Tickets are now on sale by members of the Post. Price is only fifty cents each and it will be one of the fine outstanding dances of the year. Officers of the state and district officers are expected to be present.

As a special notice to all men of our local post as well as to others interested we would like every one to go to Hines hospital on Oct. 22, Sunday afternoon at 2:30 p. m. The Ninth District of the American Legion will have charge of a special dedication ceremony in dedicating forty-eight red maple trees for what is to be known as Legion Lane. It is expected that many governors including Governor Horner, of Illinois, will be present. One tree will be dedicated for each state. Don't miss this as it will be held, rain or shine, and if weather is bad, will be held inside.

## Worthy Matron Surprised

On Saturday evening Mrs. Charles Pankonin, worthy matron of Arlington Heights Chapter, O. E. S., was pleasantly surprised by her officers and past matrons and their escorts. The occasion was her birthday anniversary. There were about forty guests and cards and dancing were enjoyed until the wee small hours of the morning. Mrs. Pankonin was presented with a lovely boudoir lamp and both she and Mr. Pankonin, as always, were a charming host and hostess and everyone left feeling that the evening had been a success.

## Qualities for a Ruler

The late President Woodrow Wilson once said that the eight horses that draw the triumphal chariot of every ruler and leader of free men are force of character, readiness of resources, clearness of vision, grasp of intellect, courage of conviction, earnestness of purpose, instinct and capacity for leadership.

## WHEELING NEWS

The meeting of the Farm Bureau held at Childerley Community Center last Saturday afternoon and evening, proved most interesting and also very instructive. Each of the speakers of the day was an authority in his or her subject, and the demonstrations were very helpful. A good bit of home talent was on display in the several exhibits, especially in the way of patchwork quilts. Those who had the privilege of attending, voiced the hope that such a meeting might be arranged for annually, and that a larger area of rural residents might participate in and benefit therefrom in the years to come.

The Ladies' Aid society of the Presbyterian church are holding their annual chicken supper and sale in the basement of the church next Wednesday evening, Oct. 18. Supper will be served from 6 to 8 p. m. and the ladies promise a good supper and all you care to eat for 50 cents.

Mr. and Mrs. H. L. Bingham and son, Jack, motored to northern Wisconsin for the week-end.

Mrs. C. Becker and Mrs. Albert Schultz are giving an afternoon tea at the home of the latter on Wednesday afternoon, Oct. 25, from about 2:30 to 5:30. A fee of 15 cents will be asked, the proceeds of the tea going to benefit Wheeling Camp R. N. A. And of the ladies of the village, who would enjoy a social chat with their neighbors are invited to attend.

Wheeling Camp R. N. A. is organizing a new branch of its work by the way of a Juvenile Camp. Any child, whose parents see fit to carry a small insurance for their children and who are willing for them to become members of the order, is eligible regardless of whether the parents carry membership in the adult camp. The Juvenile Camp of Wheeling Camp R. N. A. will be presented to the public next Thursday evening, Oct. 19, when they will receive their charter and a program explaining their work will be given. The meeting will be held in the Masonic hall beginning about 7:45 p. m. The adult public who may be interested are invited to attend.

The young people of Wheeling Presbyterian church were represented by a delegation of seven at the semi-annual North Suburban Young People's conference held at Deerfield last Sunday afternoon. About 100 people representing six churches were present, all of whom

have had a happy and inspiring experience added to their store house of memories.

The Wellfin and Balling families entertained relatives from Fairmont, Minn., over the week-end.

Frank Kuc won a pitching duel from Al. Rickert of the Lincoln A. C. to finish the Prairie Farmers season in very good style.

It also was the second time that Frank shut out the Lincoln's without letting a runner reach third base, and was the Farmers' ninth straight victory which leaves the final standing of the season as follows: Won, 16; lost, 6.

### Branch P. T. A. Meeting Was Very Instructive

A branch meeting of the Illinois Congress of Parents and Teachers was held at Wilmette Friday, Oct. 6.

The morning address by Mrs. Edward Jackson, State Third Vice President, contained challenge, information, and inspiration. She stressed first the need of informed parents at a time when public education is seriously threatened. This thought was followed by a brief history of this non political, non commercial, non sectarian organization which has an ever increasing influence in forty-six states of the union.

The objectives of the Parent-Teacher movement were outlined. This volunteer organization is working for a better understanding of childhood, of home life, of school life, of community service, civic virtue, and patriotism.

This talk was followed by Round Table conferences on various subjects, such as "Wise Use of Leisure," "Better Films," "Parent Education," "Legislation and Juvenile Protection" and others.

Dean Gordon Lang of Chicago University was the lecturer of the afternoon and spoke on "The Education of a Citizen." He is possessed of a deal of wit and charm and held his audience throat. He said the object of education is the development of citizenship. He declared that the present drive for only practical subjects in education was a lowering of standard, that civilization is worthless without its

cultural phases. He spoke of the valuable lessons in judgment, discrimination, and training in vocabulary, learned in some of the so-called impractical subjects. A general education means broader interests and therefore better citizenship.

**PROPER** lighting is this simple. You must have enough illumination on your paper or magazine to keep your eyes from straining, from getting tired. The only trouble is that your eyes do not give warning in advance. They get tired before you know it. The best way to know is to have a lighting survey made in your home, by an expert. Then you'll know for sure whether your light is right.

It is especially important that school children have enough light when they read or study. In the formative years, straining and tiring the eyes can permanently affect eyesight. For their protection as well as your own, ask for a lighting check-up of your home.

### Lighting advice FREE for the asking

This service is absolutely free. Just write or telephone and we will send an expert who will make a complete survey of your home. He'll bring a little "sight-meter" and test the illumination in every reading or sewing location in your home. He may suggest a change in the size of lamp bulb. He may recommend a rearrangement of your lamps. Or your shades. They may be the wrong type or improperly placed.

### Better light, better sight

You cherish your eyesight. It's the most precious thing you have. Then why tire it with wrong lighting methods? Let our expert advise you. Phone today.
